PROFESSIONAL EXPERIENCE

Data Analyst Intern, Nassar Ali Al-Ajmi General Cont. EST

Mar 2025 – May 2025

Al Ahsa, Saudi Arabia
(Remote)

- Developed and maintained Power BI dashboards for HR and Admin departments, visualizing KPIs to support senior management's strategic decisions.
- Analyzed recruitment funnels, employee performance metrics, and operational costs to identify actionable trends.
- Presented data-driven recommendations that identified potential cost-saving opportunities within administrative functions.

Data Analyst Intern, TechnoHacks EduTech Official

Oct 2023 – Oct 2023

India (Remote)

- Completed an intensive, one-month virtual program focused on practical data analysis projects.
- Performed exploratory data analysis (EDA), data cleaning, and transformation on complex datasets.
- Delivered a final project analyzing sales data to identify trends and presented findings to program mentors.

PROJECTS

Interactive Sales Dashboard using Power BI [🔗](#)

- **Objective:** Designed and launched a comprehensive Power BI dashboard to analyze sales data for electronics, furniture, and clothing across multiple regions.
- **Features:** Built interactive visualizations with filters and drill-down capabilities to track product and regional performance. Consolidated and transformed data from multiple Excel sources to ensure accuracy.
- **Impact:** Delivered actionable insights into sales trends, enabling a streamlined reporting process and supporting data-driven inventory and marketing decisions.
